By TeamP0isoN.

○ ○ ○

The image is a detailed ASCII art representation of a forest scene. In the center-left, a large tree with a thick trunk and a wide, dense canopy of leaves is the focal point. To its right, a smaller tree with a thin trunk and a more sparse canopy stands. The background is filled with various smaller leaf shapes and smaller tree symbols, creating a sense of a dense woodland environment. The overall style is minimalist and uses only black text on a white background.
